December 18, 2014

The Louisiana Department of Transportation and Development is pleased to announce that the following projects have been conditionally accepted into the Transportation Alternatives Program for 2014-2016. For a project to be formally accepted into the program, the Entity will be required to provide the following information by **March 31, 2015**.

1. Certification in the form of a resolution by the Entity's governing body that the Entity will assume full responsibility for the required local match (20%); for design engineering; for construction administration and testing; for managing and maintaining the project; and for any legal liability incurred as a result of the project.
2. Completed Responsible Charge form for the design phase of the project. (Note: The form can be found at: http://wwwsp.dotd.la.gov/Inside_LaDOTD/Divisions/Administration/LPA/Pages/Forms.aspx)
3. Copy of the Responsible Charge's certificate from the LPA Core Training Work Shop (Note: If the Responsible Charge has not attended the LPA Core Training Work Shop, information about upcoming classes can be found at: <http://www.ltrc.lsu.edu/ltap/index.html>. If additional classes need to be scheduled, please contact Ann Wills at 225-379-2515.

Further information will be provided in letters being sent to the Entity.

If anyone has any questions, please do not hesitate to contact Laura Riggs at 225-379-1585 or laura.riggs@la.gov.
